

Seeds, Plants & Flowers

**Mini Camp 1
June 7 – 18**

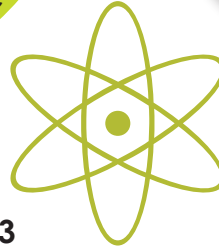

Using seeds and plants, we will explore nature, the wonders of growth, and nature's ability to recycle. Through art, dance, and science experiments, we will explore the interdependence of growing and caring for our environment.

Up, Up
and Away

Air is all around us but do we know that it also is a powerful force?

**Mini Camp 2
June 21 – July 2**

Experimenting with air through bubbles, balloons, kites, making rockets, and objects that fly or move. These are powerful examples of how to utilize one of earth's greatest resources.

Water Wonders & Liquid Lava

**Mini Camp 3
July 6* – 16**

*No camp Monday, July 5. Make up day July 6

Water and other liquids move and change shapes. Discover how water can make objects move. We will be using liquids and our imaginations as we discover the power of water through the arts.

Cooking up a Mess

**Mini Camp 4
July 19 – 30**

We will be creating health food and fun food as we integrate stories, songs and imagination. Mixing, mashing and shaping objects we will make crafty tasty treats.
